The Scout is the engine built to find this team's needs: every hole and thin spot, week by week through the playoffs, ranked by what each one costs in wins, with what is needed, when, and who available could fill it. Everything here is a recommendation to talk through. A move becomes an action only once it is decided, and then it goes to the Call Sheet.

Roster Move - Drop Candidate — Drop candidate: Will Shipley (PHI RB) — RotoWire: "sidelined multiple weeks" (Oct 12); out Weeks 7-10, back about Week 11 (Week 10 is his bye); ~5.9 a game when healthy. No IR slot is left, so holding him costs a roster seat while he is out. The cheapest other bench seat to free instead: Kendre Miller (NO RB), worth ~0 pts to the best lineup through Week 17. Dom's call — never an order.
